NORTH DAKOTA ASSOCIATION OF FAIRS
DISTRICT FAIR/EVENT PERSON OF THE YEAR NOMINATION FORM

This award is to recognize a person who has greatly contributed to your fair or event **this year**- over and above the regular duties of working at your fair or event. It is intended to recognize someone who has stepped up to the plate, regardless of years of service for your event, or whether they are a paid or volunteer staff, and taken on responsibility to get the job done.

One person will be selected from each district by their director and then from those nine individuals an overall Fair Person of the year will be selected.
